A personal message from the 7 Spice Head Chef, Shamsheer Ali
A warm welcome to you all. I have 16 years culinary experience and I'm always looking for innovative and exciting ways to prepare delicious food from across the Indian sub-continent. My menu is both traditional and contemporary and draws upon regional specialities and cooking techniques from Goa to the Bay of Bengal. From classic tandooris and rich biryanis, to dishes where I have added a modern twist, there will be something for you to enjoy, including an excellent selection of vegan, vegetarian and seafood options.
The foundation to any good food is the quality of the ingredients, for me this is essential, there is no compromising here!

7spice, 16 The Square
Restaurant & Take-away
Contemporary Indian Cuisine
A family business bringing you quality and value

As Head Chef in a family-run restaurant, it is a pleasure to work with my team both in the kitchen and front of house. We are looking forward to serving you, and please, stay safe.

www.7spice.co.uk Tel: 0115 937 7037

In today's fast-paced world, we can stop and think about all the ways you can show love in your day to day dealings with others. Be unselfish for the month of February. Spend more time making those around you happy. Be patient, be kind.

A message from the Keyworth News owner,

Mark Corbett

February has never been my favourite month. Being placed in the coldest and wettest part of year, and immediately after all the festivities of Christmas and New Year, it felt bleak even when times were good. Its only saving grace was that it is also the shortest month. This year though, I'm hoping February is the turning point. If all goes to plan with the vaccine roll out and the priority groups all receive their jabs, then we should see a drastic reduction in Covid-related deaths. So, in spite of the lockdown and all the challenges it brings to our minds, bodies and spirits...perhaps February deserves a reappraisal?

Mark

Keyworth Community Projects

email: keyworthcp@gmail.com

Is the pandemic causing you hardship?

The Covid-19 pandemic has affected all of us.

The Keyworth Community Projects (KCP) team have been helping our community in a variety of ways, bringing us together and making us stronger.

We understand that for some 2021 brings an uncertain time financially, with job losses and the proposed end of the Furlough Scheme, which can impact on health and wellbeing. KCP being there with help and support is as important as ever.

We can help in the short term with food vouchers to ease the burden, whilst longer term we can offer support and guidance to put more permanent plans in place, applying for benefits and debt management.

Please do not hesitate to get in touch if you need help. Your details will be kept in strictest confidence.

Email us at keyworthcp@gmail.com and we will get back to you.

Thank you
The Keyworth Community Projects team

Why Remote Working Is Another Reason to Choose an Energy Efficient Home

In 2020, many businesses turned to remote working to keep staff safe and business running. This meant large parts of the population found themselves working from home in their kitchens, bedrooms and dining rooms.

Remote working isn't a trend that's going away and more homebuyers are now prioritising those details and features that complement working from home for the long-term.

Miller Homes, which is building 2, 3, 4 and 5 bedroom homes on its Spinners Croft development on Platt Lane in Keyworth, has seen the impact remote working has had on homebuyer's habits first hand. Explaining more, Alastair Parsons, Area Sales Director for Miller Homes Midlands, says:

Energy efficiency and sustainability have been important to a lot of house hunters for some time as we all look to reduce our carbon footprint, but with more hours spent at home due to remote working, more homeowners are realising the cost benefits of an energy efficient home.

At our Spinners Croft development, the materials we use to construct our homes maximise energy efficiency, this is further complemented by A-rated appliances, and so homeowners can keep an eye on their energy usage, we install smart electricity and gas meters as standard.

This gives homeowners in Keyworth, who now might not need to commute to the likes of Nottingham and Leicester for work every day, features to help keep those energy costs down while they're spending more time at home.

To find out more about Spinners Croft, you can call or book an appointment to visit the sales centre, you can also reserve your new home online. For further information, visit <https://www.millerhomes.co.uk/new-homes/east-midlands/spinners-croft-keyworth.aspx>

The Rotary Club of Rushcliffe

Thank you

The Rotary Club of Rushcliffe would like to thank everyone who contributed towards the raising of around £6 000 for good causes during December. Restrictions on movement due to Covid-19 meant we were limited to static collections and "no stopping" drives. Under such circumstances to raise the above sum of money was a wonderful effort.

We know from comments how much people appreciated seeing the sleigh both at the static sites and on the streets. The club would like to thank the managers of NotCutts (Edwalton), Morrisons (Gamston) and the Keyworth Co-op (Parade) as well as the Trustees of the Methodist Hall in Tollerton for allowing us to site the sleigh on their premises. The support from the Air Hostess Public House at Tollerton and the Poppy and Pint in Lady Bay was appreciated as well as the generosity of Sunbelt Rentals for the loan of a generator.

The club is especially grateful for the support and enthusiasm of the many volunteer "Friends of Rotary" who stayed with the sleigh on the days it was parked at the static sites.

If you would like to add to the amount already raised for charity please visit the Just Giving page on the Club website www.rushclifferotary.org.uk. You can access the website through the QR code(below) and click on the "What we do" section. We are also on Facebook.

Best wishes to everyone for 2021 and once again many thanks for your generous support.

A NEW PHYSIOTHERAPY CLINIC OPEN IN KEYWORTH

Total Performance Physio Clinics were delighted to open their doors on the 5th October, based at The Key Health Club in Keyworth. The clinic offers extensive experience in treating Musculoskeletal, Orthopaedic and Sports Injuries. Clinical Director, Gemma Richards, has worked in the NHS, private practice and elite sport and has a specialist interest in Sports Injury Rehabilitation. She has over 12 years' experience in musculoskeletal physiotherapy being involved in all phases of the patient Journey, from pitch side to end stage rehabilitation.

The clinic prides themselves on offering complete patient-centred care providing the time needed to ensure all aspects of the patient's treatment journey is catered for.

We have access to a very well equipped gym for all aspects of sports rehabilitation and general strength and fitness programs, along with access to a pool, which can help support early rehabilitation for both acute sports injury and post-operative exercise.

We are offering a free 15-minute consultation to discuss any injuries or pains you may be experiencing, to see if we can help you. If you wish to take advantage of this offer, please contact us on 07851 868448.

For more details on the services we offer please visit our website: www.totalperformancephysioclinics.co.uk.

Tributes to 'Hero' Paramedic

As a family we are absolutely devastated at the loss of our beloved Tony to Covid-19 after he spent his working life trying to save people. Everyone who knew him knows he had three major loves in his life: his family and friends; football – travelling to watch Nottingham Forest and England at home and abroad; and his role as a paramedic.

Tony grew up in Keyworth going to school at the Selby Lane Infant School before attending the Nottingham Road Junior School then onto the South Wolds Comprehensive School.

He attended the Boys Brigade in the village and spent numerous years involved with Keyworth United first as a

player and supporter before qualifying as a linesman and referee where he went onto officiate in hundreds of games.

Tony who was known as “Chad” or “Chadders” started his working career with the East Midland Ambulance Service where he worked for over 23 years in 1997 in Lincolnshire as an Ambulance Technician before he transferred back to Nottinghamshire where he then went onto qualify as a Paramedic in 2007. He worked as a Paramedic team leader at Beechdale Ambulance Station before moving in 2017 to Newark Ambulance Station where he worked as a Paramedic Clinical Operations Manager.

Tony was without doubt an NHS hero who dedicated his life to his career. As he rose up through the ranks nothing was too much trouble for Tony whose huge heart meant he went above and beyond for his patients, colleagues and friends. He cared deeply for his colleagues who were also some of his best friends – his work family.

The whole family would like to give thanks to all the incredible staff at EMAS, QMC and Nottingham City hospital who cared for Tony and fought so hard to try to save him during his short time in hospital.

We will all remember Tony for the fun-loving, caring, brave man who was so loved by so many and we would like to say thank you to all the people who have offered their condolences to our family and Tony's friends.

Forever in our hearts.

With love from Mum, Martyn, Kate,
Oliver, Ann, Iain and Matt.

Keyworth Camera Club

*Keyworth
Camera
Club*

The first meeting in February takes place online on the 4th. We will be viewing successful images from the N&EMPF 2021 exhibition. The standard of this is always very high and it is an excellent chance for members to see the work other photographers in our region are producing. This year KCC had 20 images accepted from 10 members. This is a higher number than last year and it was good to see some new names appearing on the list.

On the 11th of February we are delighted to welcome Robert and Sarah Prenton Jones. The subject of their talk is The Art of Composite Photography. They will explain the thoughts behind their images, how they are put together in Photoshop and give hints and tips that can make composites come alive.

For lovers of the outdoors the highlight of the month will be on the 18th - a talk by Danny Green entitled Wild Taiga. This remote forest in northern Finland is home to large predators such as brown bears and wolves, and elusive birds such as great grey owls and golden eagles. Danny's talk is a showcase of his best images, gathered over ten years visiting this unique area.

The final meeting, on the 25th, is an internal competition for digital projected images. The three categories, Colour, Mono and Architecture will be expertly judged by Ashley Franklin.

All our meetings start at 7.30 and will be run on Zoom. Non-members are welcome and can buy tickets through the Event Booking link on the Home Page of our website: www.keyworthcameraclub.org.uk.

Crossdale

Goodbye and thanks to our reading champion  **CROSSDALE**

Mrs Campion

Mrs Campion, who has worked at Crossdale for 26 years, has decided that the time is right to retire. Mrs Campion has worked with children throughout school, and has been our lead TA for Reading Interventions and Phonics for many years... we doubt that there is a child in the whole school that has not read with her at some time! Her passion and enthusiasm for wanting to help every child succeed has always stood out and she will take a vast amount of knowledge and experience with her into retirement. We will miss her greatly, but we wish her every happiness as she embarks on new adventures in her retirement.

Carrots, soup and triangular sandwiches....

Our Reception class have been learning about healthy eating and looking at the wonderful colours of different fruit and vegetables. We read the story of friendship and sharing, 'Too Many Carrots' by Katy Hudson, which led us into making our own carrot pictures, looking close up at different colour carrots, making a carrot and vegetable soup to share and talking about how carrots are grown. For a slightly less healthy treat we made our own jam sandwiches to eat after a tiring 'Welly Wednesday' expedition. To tie in with recent work on shapes, we challenged them to make each sandwich either triangular or square.

The science of tooth decay

Year 2 have been investigating the effects of different drinks on our teeth. In one experiment, they placed boiled eggs in different drinks and left them for a week to see the effects on the shell. We talked about the egg shell acting in the same way as the enamel on our teeth. We also placed 2p coins in similar drinks to find out what happened after a few days. The Cola type drink was the worst for staining the egg shell and the lemonade took away all of the coating on the coin. In both experiments we found that water was the best drink for keeping our teeth healthy. Once we had collected all of the results we wrote a letter to the Tooth Fairy. We told her about our findings and the things we need to do to keep our teeth nice and healthy. These included eating and drinking healthily and brushing our teeth twice a day!

Seats & Sights of Keyworth

Pauline and I have got very familiar with the seating around Keyworth during our lockdown walks.

Debdale Corner is lovely – we wave to all the buses that pass by and sometimes we get a wave back!

The Sainsburys Corner one is convenient for the occasional bottle of Milk / Gin, but we love the one at the top of Nottingham Road as no one knows we are actually sitting there – putting the world to rights!

Recreation seats are used regularly by Mums and doggy owners.

The corner of Selby Lane and Main Street is ideal for the afternoon sun and our lovely Square is great. We see people buying food and meat from the Co-Op and Butchers.

Some people are sneaking in Birds for a cream cake or two!

And people are queuing at the chemist for their Keep Living Pills!

BUT, I am not naming names, but some of the seats are made of metal! So, if some pipes could be put around and filled with hot water it would appreciated (just a suggestion).

Robert Michael Woodford

Gill and sons Richard, Peter and family wish to thank all who lined the streets to pay their respects to Rob on 22nd Dec, and for the many messages of sympathy received. The church service was filmed for those unable to attend due to Covid restrictions and donations for Cancer Research UK were requested. Thank you to you all, you have been amazing.

Send your letters to Rachel, editor@keyworthnews.com or drop a note to Mark and Xinhua at 7A Dale Rd.

Keyvolution

Changes at the Exchanging Rooms

We're all about making the best use of surplus at Keyvolution. Our ExChanging Rooms project is home to the Abundance store that re-homes unwanted fruit, but for half of the year, the store itself was surplus, sitting waiting for the next picking season to start. That's now a thing of the past, as Keyworth Community Foodbank has started making use of the area to give a helping hand to families and individuals needing a little extra support at this time

Of course, the Keyvolution team is happy to help and pleased to have the chance to make full use of the space for such a good cause. Although the Foodbank gets surplus food from various sources, if you shop locally, and you want to help as well, the best way to do so is by adding items to the drop-in bins in local stores which go to the Friary as these are also serving the Keyworth Foodbank. Anyone wanting to make any other contributions should use the contact details below.

The renovation of the other part of the Exchanging Rooms is still in progress, having been slowed by recent events, but we're delighted to report that we are now one of the Coop's Local Causes, which will help with the refurbishment. If you have a Coop Member's card, that also means you have the power to help us at no extra cost to yourself! In case you aren't aware, as a member, as well as your member's discount, 2p out of every pound you spend goes to good causes and you can decide which one it goes to. Just look for us online here: <https://membership.coop.co.uk/causes/51983> or look up Local Causes on the Coop website, and choose us if you'd like to help!

To find out more about Keyworth Community Projects and how to help or get help, contact

email editor@keyworthnews.com with your club news before the 12th of each month

Need Help and advice?

Debt problems that are ignored can get worse...

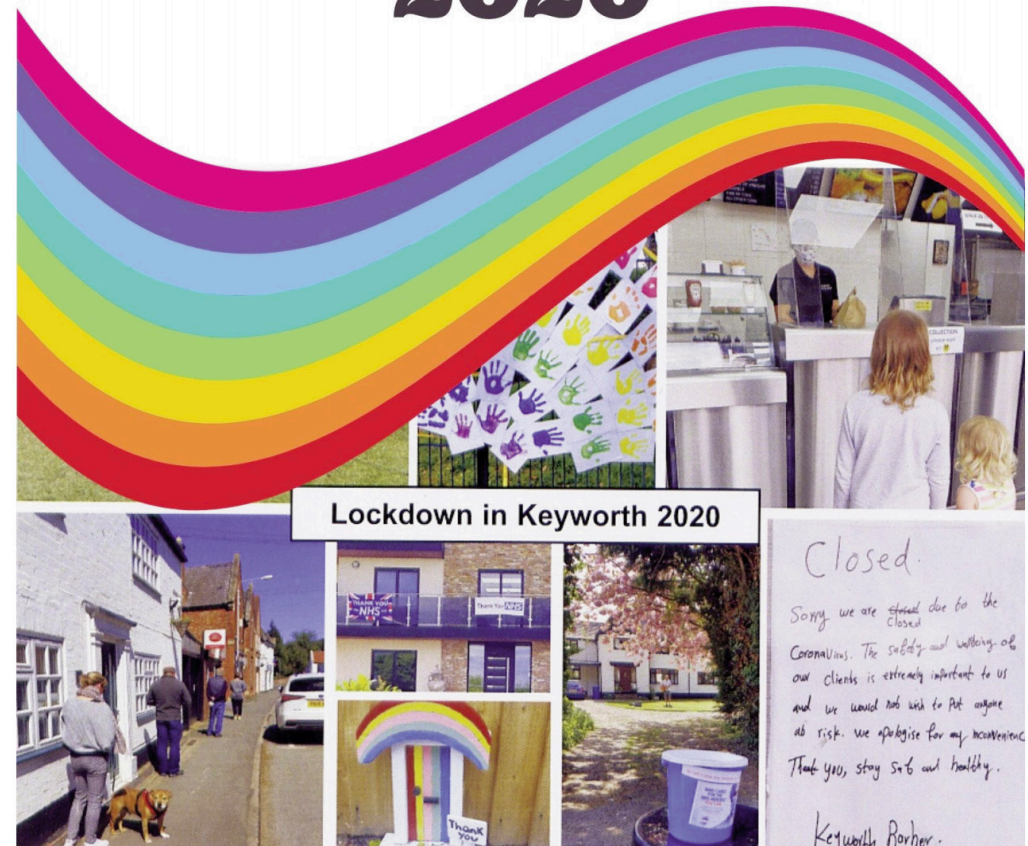

- > The first thing to do is make a financial statement showing all your income, out goings and debts (advisers will help you do this).
- > Once you have done this there are independent advisers that can help you manage your money and negotiate with creditors on your behalf.
- > Unlike commercial debt advisers, all their services are entirely free.

For FREE advice please visit these websites:

www.moneyadvice.co.uk
www.moneyadvice.service.org.uk
www.citizensadvice.org.uk

or contact The Westbridgford South Nottingham Debt Centre on:
07425 159919 (registered charity no 1174278)

LOCKDOWN 2020

Keyworth Lives

Paul Hackett CBE

The recently announced New Year Honours List includes a CBE for a former pupil of South Wolds School, Paul Hackett. Paul, who now lives in London, studied for his “A” levels at South Wolds in the 1980s. He is now the Chief Executive of a major Housing Association in London and he received his CBE for services to social housing. Paul is also an Honorary Professor at University College London and his parents live in Keyworth.

What is your fondest memory of growing-up in Keyworth?

My family moved to Keyworth in 1982 for my Dad's job. I had two really fun years in the 6th form at South Wolds before leaving for university in 1984. I enjoyed nights out in Nottingham with friends, including in non-term time. Nottingham was a really exciting place in the early 1980s with a lively night life.

To what extent do you think Keyworth has changed since the 1980s?

To be honest it doesn't seem to have changed that much to me, but I'm aware that there are new estates going up around the village. It's still a great place for families, with good schools and surrounded by countryside, but close to the facilities of Nottingham. Probably the biggest thing that has changed – and this isn't just Keyworth, is the unaffordability of housing. In the mid-1980s, a young couple with jobs could expect to be able to buy their first home in their early 20s. This is an elusive dream for far too many young people today.

The need for social housing seems to be as strong as ever, yet more households seem to be renting privately year on year – how do you manage to preserve and grow your housing stock?

My company Optivo has roots stretching back to 1945. Consequently we own housing with a market value well in excess of £10 billion. We're able to use our balance sheet strength to borrow from the capital markets at very low rates. We also sell around 700 homes a year (mainly on a shared ownership basis to households priced out of full ownership), and this helps fund our development programme. We also

have strategic funding deals with Homes England and the Greater London Authority worth £190m, plus we reinvest 100% of our profits into new and existing homes. This combination of funding means we'll invest £3.5 billion to build 15,000 new homes over the next 10 years.

2021 looks set to be a difficult year economically, what does this mean in terms of the challenges for the provision of affordable housing?

The outlook for the housing market in 2021 isn't great. However the Government have launched a new funding programme for affordable housing worth £11.5 billion, so that will mean affordable housing continues to be built by housing associations across the country. We're seeing signs of the major volume house builders reducing their development programmes. This makes social housing build programmes even more important. Social housing has traditionally been 'counter-cyclical' – helping to keep the construction industry going even in the bad times. This is important to help small and medium sized contractors and sub-contractors and the wider supply chain. It also helps to retain construction skills within the industry, which is even more important as we adapt to life outside the EU. So in short, 2021 is an important year for housing associations to step up to the plate and show creativity and tenacity.

Keyworth Cricket Club (1815-2021)

With all cricket suspended we hope all our members are trying to keep active to maintain a level of fitness so important to our personal mental health and wellbeing and especially for when we are allowed to begin Indoor Training sessions. In the interim we reflect on one of the club's Legends, who started his working life in the Village Knitwear industry...

WILLIAM LACEY (born 1861) (Died 14 December 1932) Nicknames: Rake (in Keyworth); Wizard of Hurlingham (in Argentina).

Cricketer & Footballer for the Keyworth village teams from 1875 he played for Notts Colts against the County team at Trent Bridge on 11 April 1882 before becoming a part time professional for Grantham CC and in the Lancashire League and then moving on to become a professional Coach at Oundle School (1885) and then in Canada with Montreal Cricket Club (1886).

Appointed first ever Sports & Grounds Manager to the Hurlingham Sports Club being built in Buenos Aires, Argentina in 1887, he stayed in post until retirement in 1925 having been Architect, Builder, Organiser Supreme, Sports Manager, Instigator of Improvements, and Cricket, Polo & Golf Coach. He returned first to a rented house in West Bridgford whilst a new home named Hurlingham Lodge on Debdale Lane was being built but sadly wife Martha died before the move back to Keyworth where he resumed his involvement with Keyworth Cricket Club. Top scorer in the first ever Cricket Match played at Hurlingham v Buenos Aires on 6 January 1890, he played in the first Rugby Union match at Hurlingham and designed & built the first ever Golf Course in Argentina (9 holes) at Hurlingham. Hurlingham became the first ever Grass Horse Race Track in Argentina and the leading Polo Fields with the Pacific Railway Board constructing a railway line from Buenos Aires city centre to the Hurlingham Club to facilitate spectators including for a football match between the Buenos Aires and Montevideo (Uruguay) clubs, plus the River Plate Athletics championships were staged on 15 August 1895.

William's son Lewis (Luis) rose to become one of the greatest Polo players in history and he represented England, Argentina and the USA in global tournaments and is recognized in the Polo Hall of Fame and such was his prominence in society life, his wedding at Rosario in August 1925 was attended by HRH Prince Edward the Prince of Wales with the reception at Hurlingham. William and his son Lewis established Lacey & Sons, a sporting goods shop at Sarmiento in the centre of Buenos Aires and they developed a Polo Shirt Logo remarkably similar to the one introduced by Ralph Lauren some 52 years later. Captain Lewis Lacey served with King Edward's Horse Cavalry during the Great War and his brother Captain William Lacey (junior) was a pilot in the fledgling RAF and decorated with the Military Cross but lost his life on 4 November 1918 just one week before the armistice.

We have many stories recollecting our Village Legends which we can share.

Lifelines

LAUGHTER, TEARS, BUMPY BITS AND ALL

P E N N Y T U T T E Y

Local author, Penny Tuttey

was born in Tollerton the eldest daughter of Stanley and Peggy Heason (of Swing into Shape fame).

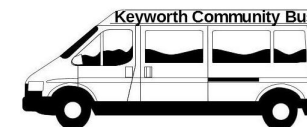

She spent several years in the middle east where she married and raised her two children, one now a GP and the other a Civil Engineer., before

returning to England in 1990 to settle in Keyworth, where her father was born.

Retirement gave her the chance to obtain an MA in writing .a natural step to writing and this book Lifelines (available on Amazon) led on to the recently published trilogy of Smithy children's books, 'Smithy lost and found,' 'Smithy The Sunshine days' and 'Smithy friends and enemies.' Also available on Amazon.

Keyworth and District Community Concern

100 Club

The random number generator was initiated by Ali, the proprietor of 7 Spice restaurant in The Square, on 30 December 2020. The Results were

| | | |
|---------------------------------|---------|------------------------|
| 1st prize (£100 Voucher) | No. 30 | No publicity requested |
| 2nd Prize (£50 7 Spice Voucher) | No. 61 | No publicity requested |
| 3rd Prize (£25 cash) | No. 58 | Terry Brown |
| 4th Prize (£10 cash) | No. 102 | No publicity requested |

The 100 Club raises money for our charity and gives you the chance to win these prizes every month. Each number only costs £2 per month, paid annually. The Club is full and we have a small waiting list, please contact us if you'd like to join it. All number owners have the option of not having their name disclosed.

A big thank you to our prize givers and congratulations to the winners.

During the current crisis our Day Centre and shopping trips and all other activities with our buses are suspended. We continue to review Government advice and information from bodies such as the Community Transport Association. We have drafted Risk Assessments which we will need to complete before any re-start can be considered.

We are trying to keep in contact with all of our customers and volunteers. If any of those need some form of help please contact us via your normal links or as follows: kdcc.minibus@gmail.com or ring 07881 836 221 or Ian on 07780646142.

Christmas Dinners

We were delighted to be able to link up with the annual Parish Council initiative to provide a Christmas day lunch for some in these Covid times. Perkins Bar and Bistro, one of our long-term supporters, kindly cooked a special Christmas dinner and we delivered their delicious food on the day. Thanks Perkins!

KEYWORTH PARISH COUNCIL

Councillors: Tamsin Armour (Chair), Tony Wells (vice-chair). Geoff Baker, Ian Bell, Mary Butler, Tom Caven-Atack, David Clarke, Kevin Fitzgerald, Tony Grice, Chris Kemp, Kev Lowe, Kath Oakley, Shelley Millband, Chris Takel, Matthew Tuttey, Brian Watts.

Clerk to the Council and Finance Officer: Emma Tillyard; **Facilities Manager:** Steve Mottishaw; **Clerical Officers:** Helen Bradshaw and Michelle Law. See below for contact details.

Website: Please keep an eye on the Council website for updates, agendas, minutes and other information: www.keyworthparishcouncil.org

Forthcoming Meetings: 1st February 2021 7:00pm Planning Meeting; 22nd February 2021 7:00pm Full Council Meeting all by video and audio conference.

Please see the council's website for details of forthcoming council meetings, and for details of any changes in this respect: www.keyworthparishcouncil.org/council-calendar. Due to current social distancing requirements, council meetings will be held by video and audio conference. The meeting agenda will be published in the normal way on the 'Council Information' section of the website, under 'Agendas and Minutes', and an invitation to the public to the video conference will be published on the agenda. All meetings held by video and audio conference will be open to the public as normal. To attend a parish council meeting video conference, please see the agenda for the link to the video conference and audio conference telephone number.

Agendas/minutes: Agendas for meetings normally appear on the Council website a week in advance; draft minutes during the week after the meeting: www.keyworthparish-council.org/minutes-archive

Village Hall complex: Village Hall, Centenary Lounge, Feignies Room. For hire charges, conditions of hire, etc., please contact the Council office (see below) or refer to the website: www.keyworthparishcouncil.org/village-hall

Other facilities: Wysall Lane Burial Ground, Rectory Field, Nottingham Road Play Area, Platt Lane Skatepark, Keyworth Meadow Nature Reserve, Activity Park.

CONTACT THE PARISH COUNCIL OFFICE:

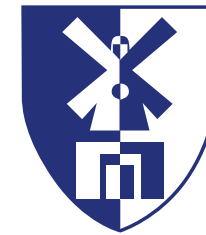

Parish Council office - opening hours: normally 9.30am to 1.00pm on weekdays, except Tuesdays and bank holidays. The office is closed at the moment due to the Corona-virus, but we can be contacted via email or by leaving a telephone message with your name and number. Staff are working from home and providing normal services as far as possible.

Address: Keyworth Parish Council, Village Hall, Elm Avenue, Keyworth, Nottingham, NG12 5AN.

email: office@keyworthparishcouncil.org

Telephone: 0115 937 2185 (answerphone only at present - checked weekdays except Tuesday).

Please note that the Keyworth News is an independent publication, and only the Keyworth Diary and occasional news items are produced by the Parish Council. It follows that the Parish Council is not responsible for items appearing elsewhere in the Keyworth News.

KEYWORTH
PARISH COUNCIL

Why are you dumping your rubbish here?

I don't care about the
environment

I don't care about this
community

I think other people should
pay to clear up after me

I can't be bothered to walk
a few metres to the bin

Don't be selfish

Dispose of your rubbish responsibly

NHS Nottingham and Nottinghamshire Clinical Commissioning Group (CCG) held a second virtual briefing session on the COVID-19 vaccination programme, on Tuesday 12th January.

This virtual briefing was for community and patient leaders and representatives and people working for local voluntary and community sector organisations.

The key messages were:

1. Please DON'T contact the NHS to seek a vaccine. The NHS will contact you when it is your turn.
2. When contacted please attend your booked appointments.
3. Continue to follow the guidance of hands, face, space.
4. Book your appointment as soon as you can.
5. Book an appointment online if you can.
6. If you need to arrange transport you must phone. The letters have been updated with travel information.
7. Mention when booking if you have an unpaid carer (needed for stats, it will not push the carer up the list).

Also

Currently the over 80s are being contacted by letter inviting them to come for an appointment. The letter has full details. By publication of this Keyworth News, all over 80s should have received a letter and by the end of the month the first inoculation.

At the moment the vaccine centres are: QMC, Kings Mill Hospital, City Hospital, Ashfield Health Village, Richard Herrod Centre in Carlton, Gamston Community Hall, and Cripps Health Centre.

More information is available at: <https://nottscgg.nhs.uk/covid-19/>

Keyworth Parish Council

YOUR VILLAGE NEEDS YOU to carry on being a great neighbour

We know that across the village the people of Keyworth have done a tremendous job in supporting their friends and neighbours.

Covid-19 has not gone away and we need you to carry on giving this support.

The Keyworth Covid-19 Street Network is a comprehensive network of mutual aid coordinators and volunteers covering the village.

If you are already part of it, Thank You!

Please make sure that your street coordinator knows that you are ready and able to help.

Are you now able to volunteer some time to help in your neighbourhood and not already aware of who looks after your road?

Go to www.keyworth.org to volunteer!

YOUR EFFORT IS CRUCIAL

We do have limited capacity and will respond to your message as soon as we can.

Care for a Chat?

Our 'phone buddy' service offers free social chats about anything and everything!

Life at Belvoir Vale Care Home

It's certainly been a fun and festive action-packed December here at Belvoir Vale Care Home!

A big thank you to all the family and friends who sent gifts in for the staff, as well as Kinoulton Primary School who sent our residents some very special handmade Christmas cards! Everyone was touched by the work that had gone into them, and they have been proudly displayed around the home.

Although we couldn't take part in external events like we normally would, we adapted to ensure that we all enjoyed as many internal Christmas events in the run up to the big day as possible. One of the highlights was when we tuned into a live stream of the Christingle service at Ely cathedral, and took part in a sing-a-long to all the classic carols.

We also had local panto star Cara perform a wonderful show that featured songs from many different musicals – which our residents loved and were singing along too. We were very fortunate to have not one, but two Christmas concerts performed virtually for us, by the very talented Jayne Darling and Richard Comfort.

It's really fantastic to see how everyone is adapting and changing to enable us to still enjoy these wonderful performances at this special time of the year. We look forward to one day being able to welcome them back into the home.

Festive films were also a must in December, the favourite being White Christmas starring Bing Crosby!

Just before the big day we held our Christmas party, again very different from what we would normally have but that didn't stop the fun! We had a festive quiz, some carol karaoke, delicious homemade mince pies along with some mulled wine, and once the mulled wine had kicked in, we all had a good dance to some Christmas classics! It was a great day; everyone had a fantastic time, and everyone slept well that night (particularly the staff!)

On 23rd December we were privileged to be given free access to a live stream to the Old Vic's theatre performance of A Christmas Carol. This was followed by some Christmas crooning by Michael Bubl , and a great afternoon was had by all. Then it was time for the big event!

Christmas Day was magnificent, and all the dedicated staff worked so hard to make it special for each and every one of the people living in our home. The food was fantastic, the entertainment was excellent, there were piles of presents and it was a great fun-filled fabulous occasion – celebrating Christmas in a traditional way.

Now we are into January already and are looking forward to celebrating different occasions, on a number of different themed-days. We will be 'all shook up' whilst we don our 'blue suede shoes', but hopefully we won't end up with 'suspicious minds'! (Can you guess what one of our themes will be?)

To keep up to date with our current activities and to see more photos, please follow our Facebook page.

Call our team: 01949 222475

Old Melton Road, Widmerpool, NG12 5QL

Keyworth Kids

February was named for the Roman word "februum", which means purification. It was one of the last months to be added to the Roman calendar, because they didn't have months in winter time. We all know that February is the shortest month, but at one time it was only 23 days long!

Make a Valentine Butterfly

To make this paper plate craft, you will need:

- a lolipop
- googly eyes
- pink or red card stock
- stickers or paints to decorate

Fold the paper in half and cut out the butterfly shape. Decorate the wings. Write a message. Make 2 slits on the cente line and insert the lolipop.

Send a photo of your makes to editor@keyworthnews.com for a chance to be featured on our Facebook page.

3rd Keyworth Guides Online Meetings

3rd Keyworth Guides have continued to meet online as the restrictions on physical meetings persist amid the pandemic. Of course this isn't the full Guiding experience, but we have continued to have fun, try new things and above all keep Guiding.

In the autumn term we were pleased to welcome two new Guides who have transferred from Brownies and are settling in well. We celebrated two birthdays during our meetings and held our first online promise ceremony. We've repeated some favourite activities from our first term of virtual meetings and added some new ones.

New this term was an Emergency Response evening where my helpful husband staged a number of accidents and the Guides were asked to direct my response. The Guides were very knowledgeable and instructed me on first aid and what to do. During the meeting he burned his hand, electrocuted himself, cut his hand and felt faint. He wasn't very good at being unconscious because the Guides kept making him laugh. We had pre warned the parents and they were able to show the Guides how to turn off the utilities in their own houses as part of the meeting.

Another new activity saw the Guides out in their gardens in the dark with torches scavenging different things. Then the torches were used for sending firefly codes and trying to spot their partners with the same code. Blindfolded drawing also proved a challenge.

In addition we've baked scones, made Mobius strips, completed an excellent Escape Room designed by our talented Young Leader, played games and tried various crafts. We finished the term with some Christmas activities from around the world and a Christmas themed game.

For information about Guiding or if you are interested in helping with a unit, you can contact someone local at keyworthguiding@gmail.com. Alternatively

South Notts RDA

A different Christmas with No Carols. Dragon isolating at the Gate!

Another New Year and now Lockdown. Riding Stables instructed to shut and over 500 RDA Groups told to close, which has meant that over 25,600 riders plus their Carers' are not able to benefit from RDA. The Lings Lane Dragon has gone back into isolation and like all our Riders and Volunteers he is missing RDA.

All is not lost. We have managed with the help of supportive Medical and Educational Professionals to enable the more able of our South Notts vulnerable Riders to ride elsewhere.

This RDA Group has received a Government dispensation to allow qualifying Riders following very strict RDA Covid Guidelines to continue to ride throughout Lockdown. This has enabled our Senior rider who rides at Lings Lane when allowed, to continue to Ride.. He has just come 3rd in a virtual Dressage Anywhere Competition .Independent Walk test.

Our teenager took his RDA Grade 3 Riding Test and passed with flying colours and one of our youngest riders will return to Lings Lane when they are allowed to re-open.He enjoys his Riding and has been allowed out of School to benefit from this activity.

Like everyone else, all our Volunteers and more challenged riders are frustrated that we cant offer any on site RDA sessions. We all miss the Social aspect of meeting up at the Stables. Until this is all over, we must Stay at Home.

To try and keep our participants engaged, RDA are running a Writing Competition ,Art Competitions and making fun learning packs available. Until Covid and its variants are brought under control , we are unable to offer any physical Riding sessions or take on any new Riders. Until that happens, we will continue to try and support them and our Volunteers in whatever way we can.

Jackie

Our Tider with his Grade 3 RDA Proficiency Riding Rosette and certificate, all socially distanced!

Most people associate RDa with young children but it is for all ages . We area long time 'Grown up' It has taken this rider his whole life to achieve this level of Riding which other non RDA riders take for granted.

Keyworth and District u3a

u3a learn,
laugh,
live

I start with a wish to everyone for a better New Year than 2020 turned out to be. I imagine that at the start of 2020 we all had hopes for a good year, nice holidays, good family gatherings and that the organisations of which we were members would flourish and continue to provide us with friendship and happy occasions. All that was dashed in March and we are still enveloped with the repercussions of a very nasty virus which continues to cause suffering and loss to so many people.

In our u3a we have had to follow Government rules and guidelines although some of our groups have continued to operate using electronic methods and we hold our Monthly Meetings by Zoom. Our Speaker Finder, David Pitfield, has provided us with a programme of speakers covering diverse subjects which have proved interesting and entertaining; his programme now extends to June. One advantage of using Zoom is that we can have speakers from anywhere and not be restricted to relatively local ones as we normally are. Zoom doesn't involve travelling costs. Up to 100 of our members can attend our Zoom meetings but where two people share the same screen that number is increased, and we have a lot of two people households sharing in this way.

The rollout of vaccination bears a glimmer of hope for the eventual release of the tight restrictions on our lives, to allow us to gather as in pre-Covid times and to enjoy the unquestionable benefits of meeting together to pursue our mutual interests. As for many of our members in the highest vulnerable group, I have had the first injection. Mine was carried out in the very well organised and efficient setup at Gamston. I can only hope that the Government's target for mid-February can be met as that will cover the great majority of our members. Even then, the second dose will be required several weeks later so it won't be a green light for us to open up our u3a at that time. Indeed, we can only do so when the Government deems it right for gatherings to take place and the Third Age Trust confirms it safe for us to do so, as well as confirming all the required insurance arrangements are renewed.

There is the prospect of us meeting sometime during the likely mid-point of this year, let's all look forward to that in anticipation and enthusiasm for the u3a to continue to provide us with enjoyment and to Learn, Laugh and Live.

Home Learning Heroes!

Like thousands of families across the country, our children and parents were thrown into home schooling over night and they are doing the most incredible job! All our home-learners have been super busy, and it has been an absolute delight to see everything they have been doing with their families. The children have been keeping up with their daily maths, phonics and literacy lessons as well as learning all about the topics they would have been studying during this school this term.

The children in school have been doing an equally great job. They are, of course, missing all their friends but hopefully it won't be too long until we are all back together. A job well done- Keep it up and remember, **KEEP SAFE AND BE KIND!**

A small plea to help us with our home learning: If you have any unused devices hidden in a corner at home you could spare, please contact our school office on 0115 9748005. We can get them reconditioned and sent out to some of our families who have limited access to technology. Your support is very much appreciated.

Thank you Keyworth United FC!

Our children were very excited in December to receive an early Christmas present but, on this occasion, it was not from Santa...A BIG thank you to Keyworth United Football Club who have very kindly sponsored our new football kit, how smart do the children look?! At KPNS we love participating in lots of different sports, and always feel proud to be representing our school, but donning our school colours with our dragon (Blaze) on the front, will make us feel extra special. Fingers crossed we will be able to attend sports events very soon where we will be

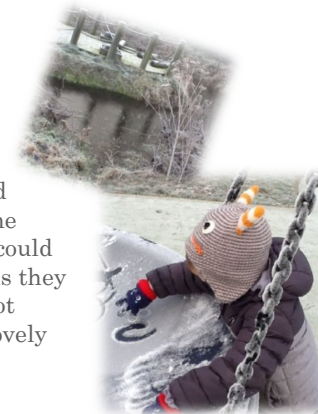

able to show off our new kit with pride!

Wonderful Wintery Walks.

Foundation went exploring the wintery world around them. They used lots of fantastically frosty words to describe the items they saw, including spiky, crunchy and soft. They then carried out experiments on the frozen puddles to see how much weight they could put onto them before they cracked. Afterwards they went inside to warm up and made delicious hot chocolate to warm their insides too. It was a lovely wintery morning.

Children In Distress

www.childrenindistress.org

The shoebox lorry arrived safely in Bucharest on Thursday 10th December, 2 weeks later than in previous years. To ensure that the boxes were distributed on time, Vali (Children in Distress CEO) had organised that, wherever possible, those groups receiving the gifts should meet the lorry when it arrived at the warehouse. The shoeboxes etc were then loaded straight into the waiting vehicles. The remainder were delivered by Father Christmas and his Elves in the charity's minibus. The photograph showing the big hug with Santa shows how much the gifts were appreciated.

The money kindly donated to 'Gifts from the Heart' in lieu of shoeboxes (eg winter clothing, Christmas food, stationery items) was sent to Vali, who shopped for the promised items and received generous donations from the supermarkets and businesses. These were then delivered by Santa and his helpers to needy families (similar to the Keyworth Christmas Community Project). The photo shows Santa and Elf Vali delivering and shoebox and food essentials (potatoes) to one such family coping at home with a child with special needs.

Some of you will have received your copy of the Children In Distress 'Vision Magazine' direct from the charity's mailing list. The wider distribution is proving very difficult due to Covid restrictions. It can, however, be viewed online using the following link [vision-dec-2020.pdf \(childrenindistress.org\)](http://vision-dec-2020.pdf(childrenindistress.org)) It is lovely to see Mrs Maureen Minney remembered amongst the names on the Memoriam page. She was a loyal supporter of the charity for many years.

Thank you everyone for your care and support, which has enabled the charity to achieve so much during what has been a very difficult year.

Best wishes to you all for 2021,
Trish Witcomb (937 4487)

2425 (Nottingham Airport) Squadron Royal Air Force Air Cadets

Each month we provide an update on the activities of our cadets and staff, but do readers know who we are and history of our organisation? 2021 will see the organisation celebrate its 80th birthday, so as we start the year it is perhaps an opportune time to explain.

We are part of a UK wide cadet force with more than 40,000 members aged 12 to 20 years. Sponsored by the Royal Air Force, the Corps has more than 900 Squadrons within communities across the UK offering the varied experiences and activities.

Formed in the dark days of World War Two, from the Air Defence Cadet Corps, the emphasis was to train young men in various aviation-related skills.

With the motto 'Venture Adventure', the Royal Warrant set our aims as:

- Promote and encourage a practical interest in aviation and the Royal Air Force among young people
- Provide training which will be useful in the Services and civilian life
- Encourage the spirit of adventure and develop qualities of leadership and good citizenship

80 years later the motto and aims remain unchanged and the organisation continues to offer challenge, adventure and learning to both cadets and staff alike.

All the activities open to cadets would be a list too long to include, but the following might give some insight as to the opportunities:

- Flying and gliding – Throughout the history of the organisation cadets have flown in all manner of service aircraft and currently receive training in Viking gliders and Air Experience Flight in the Grob Tutor.
- Adventurous training – Learning to rely on other people, developing leadership skills and working as a team is fostered in the various activities such as camping, hill walking, offshore sailing, mountain biking, etc.
- Shooting – Marksmanship with a variety of weapons taught and supervised by highly trained staff.
- Sport – Many sports are available to take part in and the opportunity to compete through the levels of organisation to represent the entire cadet corps, nationally and even internationally.
- Parade and drill – Our heritage has always seen drill and parade as a core part of the organisation. Such activities teach discipline, develop team work and high standards of dress and behaviour.
- Training and Education – The organisation offers various training, with recognised qualifications and skills for life, such as first aid.
- DofE – The Air Cadet organisation is the DofE Award's largest participant and our squadron has instructors dedicated to supporting cadets through the scheme.

All this is facilitated nationally by approximately 10,000 staff, who are almost all volunteers.

Fancy having a go? Contact us to find out more about the opportunities open to you with Royal Air Force Air Cadets.

We are recruiting both cadets and adult staff so get in touch!

To join please email adj.2425@aircadets.org

Check out what we have been doing on our Facebook and Instagram accounts. We look forward to hearing from you.

Friends of QMC charity shop, Wolds Drive Keyworth sponsor Keyworth United Under 8's Girls Team

Girls know how to have fun

Welcome to the Keyworth United U8 Girls team. This was created in August 2020 from the Keyworth United Community FC Wildcats Football Coaching Scheme. This is a huge success and is run on Saturday mornings for girls between the ages of 5-11 years of age.

The girls play their matches on Sunday mornings and have come along way since playing their first ever game in September.

They have learnt such a lot in a short space of time and are having so much fun and making new friends.

If you are interested in your daughter playing football contact Mark Ritchie, Football Development Officer on 07859002466 or mrmrkritchie81@gmail.com

Friends of QMC are proud to sponsor the girls and wish them good luck in their future development.

In the photograph are the girls and one of the trustees Nora and one of the shop volunteers Jenny.

Damien Coggin

88 St Marys Crescent, Ruddington, NG11 6FR

Royal Air Forces Association

The monthly meeting was brought forward to Monday, 11th January on this one off occasion at the request of the Chairman. A 'normal' Zoom meeting was held with the usual wide discussion of RAFA matters and the well being of fellow members. Roger Allton, 86, of wing walking fame, made members aware of the RAFA 'Lancaster Challenge' which is an event dedicated to raising funds for the RAF Museum. Roger has pledged to run/cycle 500 Kilometres before the end of the event on 17th May 2021, the 78th anniversary of the Dambusters Raid. The Museum has allocated Roger a 'Just Giving' page and if you wish to donate here is the link;

<https://www.justgiving.com/fundraising/Roger-Allton-RAFMuseum>

Another item for discussion was the date of the next Annual General Meeting. This will have to be a Zoom meeting and will take place on Thursday, 11th February starting at 7:30pm. All the Branch officers will be up for election and the Branch Accounts will be signed off.

An article in the 'Air Mail', the quarterly magazine that members receive, headlined the £100,000 grant received from Dept. for Culture, Media and Sport and the National Lottery Community Support Fund. This grant will give continued support to Operation Connect which does vital welfare work in supporting the RAF family. A part of this operation is Project Entertain and one of our members, Megan Kelleher is heavily involved in providing interesting articles for this programme. If you know any ex-RAF member who may be in need of the Association's help and support then please call 0800 0182361.

Since the beginning of the first lock down in March, when the Association instigated Operations Outreach, Helpline, Bagdrop and Entertain, there has been a 462% increase in the services and support that the Association has provided. The Director of Welfare and Policy, Rory O'Connor, thanks the thousands of volunteer members and their branches for their work and dedication.

Keyworth Churches

"The unfailing love of the Lord never ends, his mercies begin afresh each day. Great is his faithfulness."

Kath Oakley

February brings Pancake Day and Valentines Day and its still cool, so something warm will be good and if you make your own marmalade Seville Oranges are still available - kath

Chicken & Chorizo Casserole

8 Chicken thighs
150g Chorizo peeled and sliced thickly
2 tbsp Oil
2 tbsp Plain Flour
2 Red Peppers, sliced
2 Leeks, sliced
Salt & Black Pepper, and a little stock

Simply coat the chicken with plain flour and gently brown with the oil for 5-10 mins in a large frying pan, Remove and place in a casserole dish with a tightly fitting lid, add the sliced Chorizo, peppers, leeks, salt and black pepper and bake in a medium oven for 45 mins. Check for seasoning and you may need to add a little stock to make a sauce. Then enjoy with baked potatoes with plenty of butter. Additionally you might like to include;-

Baked Leek & Peppers

This is so simple, just slice 3 large peppers (red, green & yellow) and 1 large Leek. Gently fry in a large frying pan with a lid and 2 tbsp Oil, salt and black pepper 10 mins. Check for seasoning, add a little stock to make a sauce and a generous sprinkling of chopped parsley or dried herbs.

Barry's Salmon with Pea Guacamole

This simple and fuss-free fish dinner can be made either with salmon or your favourite white fish fillet. The pea guacamole uses just a few ingredients, and adds a huge amount of flavour. If you don't have sumac in your spice cupboard, use smoked or regular paprika instead. Happy cooking - Barry

Salmon with Pea Guacamole

750g new potatoes
2 tablespoon extra-virgin olive oil
100g feta cheese, crumbled
1 tablespoon sumac
4 salmon or white fish fillets, 120g each
2 lemons, grated zest only of 1. Other into quarters

FOR THE PEA GUACAMOLE

500g frozen peas
4 tablespoons crème fraiche
1 lime, juice and zest
Handful fresh mint leaves, plus a few extra

Preheat oven to 220°C/Gas 7. Bring a large pan of salted water to the boil, then cook the potatoes for 10-12 minutes. Drain well. Using the same water boil the peas for 2 minutes, then drain and whizz the peas in a mini blender or a stick blender along with the remaining guacamole ingredients. Add a little water if you need to loosen the mixture, then season well and put to one side. Put the cooked potatoes in a casserole or roasting tin. Crush gently with the back of a spoon, then drizzle over the olive oil, crumble over the feta and sprinkle with half of the sumac. Roast in the oven for 10 minutes, then remove from the oven and set the fish on top. Sprinkle with the remaining sumac and return the dish to the oven for 10-12 minutes, or until the fish is just cooked. Finish off by sprinkling with the lemon zest and extra mint leaves. Serve with the pea guacamole and lemon wedges. Serves 4 and can easily be halved for 2. My choice of wine for this dish is an Italian white such as Soave.

South Notts Shotokan Karate Club

Club Awards Virtually!

The 'virtual' presentation of the club's annual awards for 2020 took place recently. For the avoidance of doubt it was the presentation that was 'virtual' not the awards themselves! Given the extraordinary circumstances which enveloped us all in March last year and the club's necessary reduction in its activities, the award categories were slimmed down to two from the normal seven. In many ways the unique situation rather enhanced their significance and indeed the value to be attached to them. During the period of the first lockdown Sensei Alan Lea (pictured top left in the photo collage), who is one of the club's longest serving members and most senior black belts, created a veritable library of video training resources covering the whole karate grading syllabus from beginner to black belt! Beyond that, over the ten months from March he trained relentlessly and with unyielding enthusiasm achieving almost 100% attendance - quite a feat given that the club has met four times per week, every week since the start of the pandemic! Sensei Alan's attitude reflects the qualities associated with authentic karate practice and was formally recognised with the presentation of both the Black Belt Contribution award and the prestigious Arthur Hall Memorial Cup! In fact he became the first member of the club in its 35 year history to win the cup for a second time - his name now appears twice on this beautiful piece of silverware separated by seven purposeful years of dedication and determination!
